## APPLICATION FOR A PARISH COUNCIL GRANT

The grants can be used in various different ways, for example; the capital cost of new or improved facilities/equipment, supporting a specific event, improving the environment etc; with grant applications accepted for between £50 - £1,000.

All applications for grants are considered by members of the Parish Council - with each application assessed on its own merits.

Once a decision has been made it is final, with no further applications if successful or appeals if unsuccessful, being made until 12 months have passed.

### Who is eligible?

Individuals and local voluntary or charitable groups (clubs, societies and organisations) based within Stoney Stanton Parish whose work benefits some or all of those residents.

### Those NOT eligible?

Any organisation intending to support any particular political party or to discriminate on the grounds of race or religion. Any profit or surplus making private companies, public and private limited companies.

## BEING NEIGHBOURLY

Parish land around the village is not a dumping ground for grass cuttings, soil and other materials, use your common sense and use the bins provided to you or visit the local tip.

## LITTER BINS TO INCLUDE DOG WASTE

Blaby District Council have advised you will soon be seeing these labels on all standard litter bins around the village - meaning that these bins will accept dog waste.

This should hopefully prevent overspill from the dog waste bins and the service will remain at twice weekly collections. The bins will be monitored and reviewed going forward.

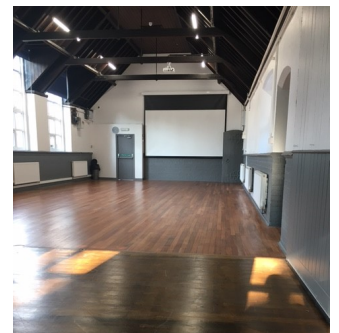

## STONEY STANTON VILLAGE HALL NEW ONLINE BOOKING SYSTEM

Please see the link below to request room bookings or further information:-

<https://venuehire.scribeaccounts.com/Stoney-Stanton-Parish-Council>

For block bookings - please contact [clerk@stoneystanton.org.uk](mailto:clerk@stoneystanton.org.uk)

Charges start from £11 per hour.

# FOSSE VILLAGES

## NEIGHBOURHOOD PLAN ADOPTED

After receiving more than 85% backing from local residents and approval by Blaby District Councillors, the Fosse Villages Neighbourhood Plan has been adopted.

The ten parishes, made up of Aston Flamville, Croft, Huncote, Leicester Forest West, Sapcote, Potters Marston, Sharnford, Stoney Stanton, Thurlaston and Wigston Parva have worked together to prepare the plan that sets out the villages' ambitions for where development should and shouldn't go, and what it should look like.

The policies in the Neighbourhood Plan will be used in the Fosse Villages when planning applications are decided, in addition to the Council's Local Plan and other material considerations.

Having been through multiple stages of public consultation and independent examination, the Fosse Villages Neighbourhood Plan was put to a referendum, giving residents their chance to vote on the plan during the Local Elections on 06 May, with 85% of voters approving the Plan.

Blaby District Council formally adopted the plan at a Council meeting on 15 June, ensuring that it will become part of the development plan for parishes within the Fosse Villages area.

## RECYCLING AREA AT ST MICHAEL'S COURT CAR PARK

Blaby District Council have advised the recycling bins will be permanently removed from St Michaels Court on 9th July 2021 due to fly tipping and frequent misuse. Recycling should be via household green bins or at one of the local Council tips.

## BINS IN THE WAR MEMORIAL PLAYING FIELDS CAR PARK

The rubbish and recycling bins at the park are strictly for the use of the War Memorial Playing Fields and are not for public use. Recently fly tipping has been occurring into these bins which is anti social and inconvenient. Please do not dispose of household waste in the bins.

## Leicestershire County Council

LCC want to hear your views on your preferred school term and holiday

dates for Leicestershire. LCC are looking to set the term dates for the five years between Autumn 2022 and Summer 2027 and would like to hear what you have to say on our three suggested options

<https://www.leicestershire.gov.uk/have-your-say/current-consultations/have-your-say-on-school-term-time-dates>

## YARN BOMB SUMMER 2021

'The Quarryman' has had his final repairs and 3 coats of specialist oil to seal him, the next stage is to include a decorative wall around him so watch this space...

He looks resplendent among the summer yarn bomb, thanks to all those involved.
