YARN BOMB UPDATE

We hope that you are enjoying our Easter displays as much as we have had pleasure in putting them together. This is a good opportunity to thank those kind and generous people who helped make all those chicks and bunnies. Thank you all very much indeed and thank you so much to Stoney Stanton Playing Fields Association for offering us the space in The Pavilion to permanently store all our yarn bomb creations and equipment. To enable that Jade, from the Blue Bell pub, has donated lots of stacking crates for us to keep them organised in. We love the community spirit involved in this whole project.

We would really love to have more of you wanting to do some knitting or crocheting for us in order to make our displays bigger!

We have meetings in the Community Library on alternate Saturdays throughout the year, but you certainly don't have to come along to these if you'd still like to make a contribution. However, we have become a very friendly and relaxed likeminded little group who always look forward to seeing new faces come through the door. If any of this appeals to you, then please don't hesitate to contact one of us through our Facebook page.

HINCKLEY NATIONAL RAIL FREIGHT INTERCHANGE UPDATE

Thank you to everyone who responded to the Public Consultation, and attended a local exhibition, on the Hinckley National Rail Freight Interchange proposal being bought forward by Tritax Symmetry (Hinckley).

The Parish Council formally responded and you can find our response on our website or, if you prefer, a physical copy will be made available in the library after Easter. The Stoney Stanton Action Group also responded. Their response can be found on their website www.stoneystanton.co.uk, and also in the library.
