

# STONEY STANTON PARISH NEWS

Your Village, Your Council, Your Voice

November/December 2022

## CAN YOU HELP?

A plaque has been found in the arboretum with the name 'D.T.Davis 1902-1979' does anyone know who the person is or their family so we can return it to them?

## CORONATION EVENT

What are you planning for the Coronation Day?

We have put a poll on facebook to see what the villagers would like to do to celebrate the Coronation...if you have any ideas, please share them with us so we can budget or help wherever possible.

## THE QEII COMMUNITY ORCHARD

at Carey Hill Park is up and running with 14 new fruit trees planted at the beginning of November. The trees have been bought by villagers and the Parish Council in memory of loved ones or to mark a group or occasion.

We will be putting in seating and signage over the next year so you can all enjoy the area.

## STONEY STANTON COMMUNITY LIBRARY

With colder days coming why not make the most of our warm library during opening hours?

You are welcome to come and sit, read or play some games. We also have computers to use free of charge for members of the library.

**END OF AN ERA**  
 Goodbye to Rev. Sharon Constable who has been at St. Michael's Church for 7 years. A lovely retirement event was held on 6th November 2022 in the church. Thank you Sharon and happy retirement.

# NEWS FROM THE OLD SCHOOL SURGERY

Firstly a new social media page is available with live updates and information on Facebook. Find us at **The Old School Surgery Stoney Stanton** and follow us.

The new telephone system goes live on 2nd December. This will ensure that the Patient knows exactly where they are in the call queue and can request a call back if they do not wish to wait in that queue.

Please only attend surgery after 10am for queries, results and appointments as this avoids the busy period. Please note that any abusive, rude or aggressive behaviour will not be tolerated.

The surgery's updated Information leaflet will be posted on their Facebook page and hard copies will be available in the surgery and your local shops, Chemist etc. This includes everything you need to know about the surgery.

The PPG (Patient Participation Group) is now looking for New members. For more information or to join the group and have your input with your surgery, email [Julie.herbert7@nhs.net](mailto:Julie.herbert7@nhs.net) or ask at reception.

*Lest we forget*

**Thank you for all who attended the village Remembrance Service at St Michaels Church.**

## CHATTY BENCH

A second Chatty Bench has been installed in the village after the success of the first one at the top of The Oval/Sapcote Road. This one is on the path through the Persimmon Estate by the bridge over Manor Brook. Spend time, relax and chat.
