## The King's Coronation events

Brass on the Grass was a hugely successful event on Sunday 7th May. The sun shone, families came to picnic and Enderby Band entertained the crowds with fantastic music all afternoon.

Stoney Stanton Youth Club raised just over £100 with their tuck shop and were presented with another £200 raised by The Blue Bell at their 'Singo Bingo' event held in the evening.

An Oak tree was planted on the Green to commemorate the Coronation of King Charles III and The Quarryman looked resplendent in his bunting, with the newly laid cobbled sets and planting.

Every child at Manorfield School received a special

Coronation mug to keep with compliments from the Parish Council, Manorfield School and PTFA.

A great village celebration.

Parish Council meetings are the 2nd Tuesday of each month at the Village Hall from 7.30pm

## COMMUNITY GRANT UPDATE

Blaby District Council are still offering grants between £500 - £4000 to cover different project costs to a range of voluntary and community sector organisations. There will be four application rounds this year with the **first deadline for applications on Wednesday 31 May at 5pm**. We have also made some changes to the scheme for this year. This includes increasing the total project cost limit to £40k, prioritising applications that relate to rising energy costs or those that support residents struggling with the cost of living challenges, and changing the eligibility criteria for some organisations.

### Volunteers Required

Would you like to be part of The Old School Surgery Patient Participation Group?

Your views are important to us, we hope to involve patients from all areas of our population – to do this we would invite patients of all ages, sexes, races, religion and particularly carers or the most vulnerable.

If you are interested or would like more information regarding this please telephone:

This Group has started meeting again and is looking for a diverse representation of new members. The primary purpose of the Patients Participation Group is to represent the views and experiences of **ALL** member patients at the surgery. This is to help the surgery be proactive in providing services that reflect the requirements of the patients.

It is an advisory body, open to all patients registered with the surgery (including carers of patients). It is an opportunity for staff and patients to discuss topics of mutual interest. At present the group meets every 2 months during the day, at the Living Rock Church in Stoney Stanton. It is hoped in the future to hold alternate meetings in the evening to allow those unable to attend during the day a chance to have their say. The Group are working on a webpage, a newsletter and planning to have an information stall at the Stoney Stanton Carnival on Saturday June 10<sup>th</sup> 2023.

If you are interested in joining or for more information please contact Clarissa Morrall Admin/Reception Manager at the surgery [clarissa.morrall1@nhs.net](mailto:clarissa.morrall1@nhs.net) 01455271442 or Maggie Wright Chairman on [wrightmaggie@live.co.uk](mailto:wrightmaggie@live.co.uk) 07815450031
