

STONEY STANTON PARISH NEWS

Your Village, Your Council, Your Voice

November 2024

MEET YOUR COUNCILLORS

My name is James Masters and I have lived in Stoney Stanton for 4 years, prior to this I lived in Newcastle upon Tyne and before that Lanark in Scotland. Since moving to Stanton I have been very impressed with the sense of Community Spirit that I have witnessed. My son, his wife and

grandchildren have lived in this area for a number of years. They as a family have been involved in a number of local and community organisations.

While living in Stoney Stanton I have been a member of the Parish Council, carnival committee and I am now participating in a project with Forget Me Not Café and children from Manorfield Primary School. Involvement in these projects is another aspect of assisting in community projects. I have also been honoured to pay my respects on Remembrance Day by laying a wreath on behalf of the Parish Council.

The next few Years are going to present many challenges and changes and it is our responsibility as parishioners and Parish Councillors to work together to ensure our community prospers.

I welcome people to contact me with their concerns and suggestions at councillormasters@stoneystantonpc.gov.uk

Working as a Community will go a long way in meeting our needs but this can only occur if we share concerns and issues about our village.

Applications open for next year's school places.

Parents and carers with children due to start primary or secondary school for the first time in Leicestershire next year (Autumn 2025) can now apply for their places. Further information can be found on the Parish Council website at:

The Community Library

will again be offering a warm space during all their open hours. Come and sit and read or play one of our board games/cards/puzzles.
