

Technical accessibility statement

We are committed to making our website and mobile applications accessible in accordance with The Public Sector Bodies Accessibility Regulation 2018 No.952.

This statement applies to our Stoney Stanton Parish Council website and the content, that falls within the remit of the above legislation and the Equality Act 2010.

Compliance Status

This website is partially compliant with The Public Sector Bodies Accessibility Regulation 2018 No.952.

Non-accessible content

We are working to achieve and maintain a AA standard within the guidelines, however we are aware that it is not always possible for all our content to be accessible. Where content is likely to create a barrier, we hope to be aware of this and warn users or offer an alternative solution.

Preparation of the statement

This statement was prepared in March 2020 and will be formally endorsed at a meeting of the Council (yet to be agreed due to Government restrictions). The declaration is accurate (to the best of our knowledge) following guidelines from our web provider.
